

# Interim Finance Director assignment (regional)

#replacement #gap #change #transparency #audit #tax revision

## The Situation

The client was looking for a replacement during the maternity leave of the fixed-term manager. In addition to this they were looking for an experienced finance professional with audit background to streamline audit related issues.

### The Client

|                 |              |
|-----------------|--------------|
| Industry type   | Sales        |
| Industry sector | Construction |
| Group           | Danish       |

## The Solution

The client hired an experienced Finance professional and asked to proceed with Gap management. Soon after the start the management asked to extend the scope, review and streamline financial functions and figures.

### The assignment

|                         |                |
|-------------------------|----------------|
| Interim management type | Gap management |
| Duration                | 9 months       |
| Place                   | Hungary        |
| Scope                   | Finance        |

## Results

The interim Finance Director introduced significant changes in finance processes, especially on:

- √ provided gap management during a very turbulent period
- √ visited group HQ and clarified various problem areas
- √ coordinated full scope Tax Authority revision with success
- √ initiated strong customer monitoring and debt collection system
